Opt-Out Photo/Video/Website Release Form

Dear Parent/Guardian:

On occasion, representatives from the media or the Laconia School District wish to photograph, videotape, and/or interview students in connection with school programs or events. Educating the public is one of our objectives. The entire community benefits from knowing about the needs and abilities of our students, and about the programs we offer to children and families.

This form allows parents/guardians the option to NOT allow the Laconia School District to take photos/video of your minor children to post on the Laconia School District website, Facebook, Twitter or use in event publications.

I, _____ parent/guardian of _____

I do not authorize the use and reproduction by the Laconia School District or anyone authorized by the Laconia School District of any, and all photographs and/or videotapes taken of my child.
