

Playground Rules

We have playground rules so that all students can play, explore and be creative in a safe environment. Following the rules shows respect for others and helps prevent injuries.

1. Stay within the playground boundaries (You should not be out of sight)
 - Inside the tree line
 - In front of sheds
 - In front of benches and off rocks
 - Away from dumpsters and shed grass area (Students may go to this area to retrieve a ball but it is not a playing area. The picnic table can be used to take-a-break or complete work.)
2. Use equipment for its intended purpose
 - Climb across the monkey bars, do not sit on top
 - Backstop (fence near baseball diamond) is for stopping balls not climbing
 - If using red spinners you must start at the first one. One student at a time in one direction.
 - Students can use any equipment that they can reach unassisted
3. Take turns and share equipment
4. Play by the rules
5. Line up when the signal is given
6. Use polite language
7. Invite others to play
8. Dress appropriately for the weather.
 - Flip flops are not allowed on playground equipment.
 - In order to be in the snow students must have boots AND SNOW PANTS.
